

PRODUCT SPOTLIGHT

IBX BOOST™ PERFECTION OVER THE TOP

THE GOAL

To create the ultimate foundation layer on the natural nail.

WHAT IT DOES

- **IBX BOOST** System is a FLEXIBLE and STRONG coating that can be used as:
 - As a natural nail overlay for strength and protection.
 - A protective coating under other services such as Gel Polish.
 - Extends Gel Polish Wear Up To Three Weeks.

PRODUCT ATTRIBUTES

- Dream Application.
- Easy on and easy off.
- Exceptional self leveling minimizes buffing.
- No roughing of natural nail needed prior to application.
- Cures in one minute with UV or LED
- Rebalances are easy, saving you time.

CUSTOMERS WILL NOTICE

Glass smooth surface
 3-week wear
 Crack and lift resistance in cold weather
 Resistance to heat spikes and shrinkage
 Aids in nail growth
