

PRODUCT SPOTLIGHT

IBX BOOST™ PERFECTION OVER THE TOP

THE GOAL

To create the ultimate foundation layer on the natural nail.

WHAT IT DOES

- **IBX BOOST** System is a FLEXIBLE and STRONG over the top coating that can be used as:
 - As a natural nail overlay for strength and protection.
 - A protective coating under other services such as Gel Polish, soak off and hard gels.
 - Extends Gel Polish Wear Up To Three Weeks.

PRODUCT ATTRIBUTES

- Dream Application.
- Easy on and easy off.
- Exceptional self leveling minimizes buffing.
- No roughing of natural nail needed prior to application.
- Cures in one minute with LED or UV.
- May be rebalanced to save time.
- HEMA Free

CUSTOMERS WILL NOTICE
