

Dadi'Oil

95% CERTIFIED ORGANIC
Nail & Skin Treatment

WHY DADI'® OIL?

We searched the world for the very best bio-similar, certified organic oils.

Our goal? To deliver flexibility, toughness and shine to the nail, and to deliver moisturizing benefits to the skin. Dadi'Oil offers fast, non-greasy deep penetration and a clean, light aroma made up of 21 essential oils.

OUR INGREDIENTS

High-Purity Avocado Oil*

Contains high levels of vitamins A, D and Lecithin for superior moisturizing.

Extra Virgin Olive Oil*

Surprised? EVOO contains Squalene, a natural softening agent already found in nails and skin; it also contains Oleocanthal, a natural anti-inflammatory agent.

Jojoba Oil*

A penetration enhancer.

Natural Vitamin E

A powerful anti-oxidant that neutralizes and destroys free radicals in nails, skin and hair before they cause damage.

WHY IS DADI® OIL CERTIFIED ORGANIC?

- No synthetic pesticides or fertilizers have been used in the soil for at least three years, meaning reduced contamination in the soil, air and water.
- It is renewable, sustainable production which is naturally better for the environment.
- Organic products are typically higher in micro nutrients (organic tomatoes have about 18% higher fruit solids and taste better!).

DADI® OIL FRAGRANCE

Our blend of 21 naturally derived essential oils (including Citrus*, Vanilla*, Limon*, Bergamot, Rosemary, Lemongrass and Lavender) create a beautiful aroma.

OUR KEY SALES POINTS

- Absorbs quickly and penetrates deeply.
- Enhances flexibility and prevents nail brittleness.
- Long lasting color stability and shelf-life.
Compare the color to other products...no comparison!
- Great moisturizer for the skin with quick, non-greasy penetration.
- Why use non-certified oils when you can have 95% certified organic Dadi® Oil?

OTHER INTERESTING QUESTIONS AND FACTS

- Dadi® Oil was created by Jim Nordstrom, the original formulator of CND™ Solar Oil™. Dadi® Oil was named by his daughter, Niki Nordstrom.
- What comprises the other all natural 5% of Dadi® Oil? Tocopherol (Natural Vitamin E) and blend of 21 naturally derived essential oils that create our wonderful aroma.
- What does the IMOSSN on the packaging stand for???
In Memory Of Stuart S. Nordstrom...a tribute to Jim's Dad, who was the Founder of Creative Nail Design™ (now CND™).
- Is Dadi® Oil safe for people with nut allergies?
It should be, but we recommend putting a small swab on your skin to be sure.
