

# RELEASE WATERLESS PROTOCOL

1. Remove polish from nails.
2. Trim and file the free edge of the nails.
3. Spray **CUTI-CAL** onto the cuticles and bottom of feet using generously on callused areas. Allow **CUTI-CAL** to soak in for 2 minutes, then push back the cuticle and remove any loose skin.

4. Using the **LOOSIN' IT FOOT FILE**- gently smooth the calluses and dry skin. If needed apply **CUTI-CAL** to any areas that need extra attention.

5. Using 2/3 teaspoon of **DADI' SCRUB GOLD** per foot and gently massage into your clients' feet and legs. Pay attention to the heel and soles of the foot.
6. For extra moisture, wrap their feet and legs in a warm towel to help the **DADI' SCRUB GOLD** to penetrate the skin. Remove what is left on the skin with our towel.

7. Apply 1-2 eyedroppers of **CBD ELIXIR** to your client's feet and legs before providing the massage (eliminate if doing Gold). Start with approximately 1/2 teaspoon of **DADI' LOTION GOLD**, massage your client's feet and legs until their skin absorbs the lotion.
8. Cleanse the nail plates using a nail cleanser and apply polish.
9. Apply **DADI' OIL** onto the cuticles and Spray **FAMOUS RELEASE FINISH™** - this will seal in all moisture and further condition the skin - They are ready to go!

At-home foot care will help your clients keep their pedicure looking fabulous and their feet soft and smooth. **Dadi' Oil**, **DADI' LOTION GOLD**, **DADI' SCRUB GOLD** and **CBD ELIXIR** are all perfect ways to help your client reach this goal.
